Review:

Jimmy Jack AKA Graeme has made an awesome network of mountain bike trails to suit a wide range of skill levels. All trails are suitable for most ages and fitness levels although some MTB experience is recommended. Riders will encounter some natural and manmade obstacles, short steep sections some fast downhill and sandy patches. All trails are rideable two ways so take it easy out there with your fellow MTB'ers.

The ride from the James Estate cellar door takes you back down the driveway and through the working winery and vineyard so you will need to give way to all winery and vineyard traffic - tractors and trucks, utes and cars. So if you're up for it, Wattle Avenue, School of Rock, Go-Anna, Sucked In, Airs Rock, Lenny's Bypass and Desperado trails are all ready for you to conquer. To fully appreciate these trails, it is best to allow a couple of hours riding time.

The MTB Trails are open during cellar door hours (10:00 pm to 4:30 pm daily) for visitors to do a self-guided ride.
